

Sree Sesha Sai Technology Services Pvt. Ltd.

Dear Professional Fraternity,

Greetings from Sree Sesha Sai Technology Services Pvt Ltd.

Increased requirement of Information Security Management System across different sectors has made certification under ISO 27001:2013 very much desirable. In some of the sectors like BFSI (Banking, Financial Services & Insurance) the certification under ISO 27001:2013 has become almost mandatory in nature. Competence of Implementing Personnel, Auditors, Consultants and Lead auditors is the most important factor for ensuring effective implementation of the Information Security Management System. ISMS auditors require understanding of the standard, stake holder requirements, legal & regulatory requirements, principles of audit, auditing skills etc.

Intertek Training and Knowledge Solutions specialize in offering a variety of training solutions such as Lead Auditor course, Internal Auditor course, Lead Implementer course, Awareness programs etc. in different ISO standards which enables both individuals and organizations to achieve their strategic objectives. Our solutions help you to better understand, implement and enhance business management systems and assurance programs to drive consistent, transparent and accountable operations, improve risk management and deliver long-term, systematic and sustainable performance.

The courses designed by international specialists in the field of ISMS auditing involving the most modern accelerated learning techniques existing in the field of trainings vetted by IRCA (International Register of Certificated Auditors). After successful completion of this course the delegates would be competent to carry out all the phases of audit such as planning the audit, conducting the audit, prepare & distribute the audit report and also follow up for closure of audit findings as applicable under Information Security Management Systems Audits.

The Course curriculum is the prescription of Intertek India Pvt. Ltd., our partnering training body/Certification Body and is approved by IRCA (Course No. A17466). IRCA is regarded as the world leader in the approval of Training Organizations who present auditor training courses. IRCA evaluates, approves and maintains approval of several Training Organizations annually, who among them present IRCA certified courses each year in all parts of the world.

Who Should Attend?

While no formal pre-qualification is necessary to attend this course, those delegates with previous exposure to information security management system will have an added

Sree Sesha Sai Technology Services Pvt. Ltd.
